Please place a check mark(s) next to the items for which you are submitting payment and total. Detach and submit with your check or AFPT form attached. The Guard Fee includes Camp, Uniform, Equipment (excluding rifles), and one pair of gloves. Returning members may opt to purchase a new pair of guard shoes and unitard or use the same one from last year. The shoes and unitard typically remain the same from year to year. The students will not be permitted to keep their uniforms, flags, or sabres (if applicable). Students who audition for and are chosen for the rifle line will be required to purchase a rifle for an additional cost. This will be theirs to keep and they will be responsible for replacing it if it breaks. Students who already have a 36" Rifle (black bolt/strap preferred) will not need to purchase one. All items will be ordered as group. All members are responsible for the payment of their fees in full via direct payment or fundraising.
